

Star Recommendation
- Atlantico Village

Situated on the increasingly popular Silver Coast is this wonderful low-density development surrounded by pine forests and just minutes from the beach. With approved plans to build 27 holes of golf on the surrounding land together with a 5-star hotel, equestrian centre and International School this is a development of the highest quality. Already awarded a P.I.N. (Project of National Interest) this will be a dream destination to either live or enjoy as a holiday. Terrace and balcony sizes are at least 25m² so you can really enjoy the outdoor life.

Prices for this unique opportunity start at 160,000 euros for a 1 bedroom apartment and 185,000 euros for a 2 bedroom apartment. These prices include all the extras you would ever need – air conditioning, fitted kitchens with Bosch appliances, home automation, suspended toilets, electric blinds and heated bathroom floors. In an area of outstanding natural beauty this is a development that will enhance and complement the surroundings making it a pleasure to be there for years to come.
